A Letter from Our Chairman

The board of Coast Bible Conference again anticipates a good week of Bible exposition from two of our long-time supporters. The coast still does not have the type of meeting place that we have had available in previous years, but New Hope Baptist Church has again welcomed us to use their facility which is convenient to everything on the coast. Many motels are close by and they have rooms available this year. We would hope that our long-time attendees could at least come for part of the week. We feel it is critical to keep this important ministry going. We look forward to meeting the good friends that we have made over the years. If you have any questions, please call or write me at 228-831-4173 or orenmiller05@bellsouth.net.
