

## A Note from Our Chairman

After many years of faithful service, Oren Miller and the locally-convening CBC Board entrusted the position of Board Chairman to me. I look forward to serving in the shadow of the many dedicated men who ministered with the CBC since 1941.

The Board of the Coast Bible Conference anticipates a fantastic conference of Bible exposition from two men with seminary president and pastoral experience. We've moved back to New Hope Baptist Church where we held the conference from 2006-09.

This year, we're excited to emphasize growth and fun for our teens. We've invited an exciting and talented Youth Pastor from the Orlando area to minister to them!

We're already looking forward to re-establishing long-time CBC friendships, and we're also hoping to meet many new friends this year.
